Kristine,

Not all members of the LWG agree with BCS's proposed edits and comments. In light of the decision EPA and the LWG reached in late October to revisit the overall approach and language of Section 10 proposed by EPA, we recommend tabling further discussion of BCS's proposed edits for now.

Thanks,

Jim McKenna

Jim – here is a requested change for Section 10 of the RI. We agree with these edits. If you agree, then lets include them. If you don't agree, then lets discuss.

Thanks,

Kristine Koch

Hello Kristine,

On behalf of Bayer CropScience (BCS), Golder Associates, Inc. and AMEC Environment & Infrastructure, Inc. have prepared the attached letter outlining suggested edits to Section 10.0 of EPA's Draft Remedial Investigation Report for Portland Harbor.

BCS appreciates EPA's time to consider the attached edits and clarifications. Should you have any questions regarding this letter, please contact Joan Underwood of Quantum Management Group.

Regards,

Alistair
